Dear Mr Garrison—

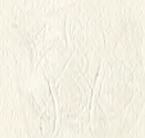

247 My wife and I are hoping  
to have the pleasure of seeing you  
at my sons house on Friday evening  
but we should ~~also~~ like to have had  
a little visit from you & your son also  
at our own house once more

Would it accord with your other  
arrangements to come to an early  
family dinner with us—say at 2.3  
or 4 o'clock on Friday & then go from  
here to my sons house for the evening  
company— If you can do this please  
send me a post card to say so.

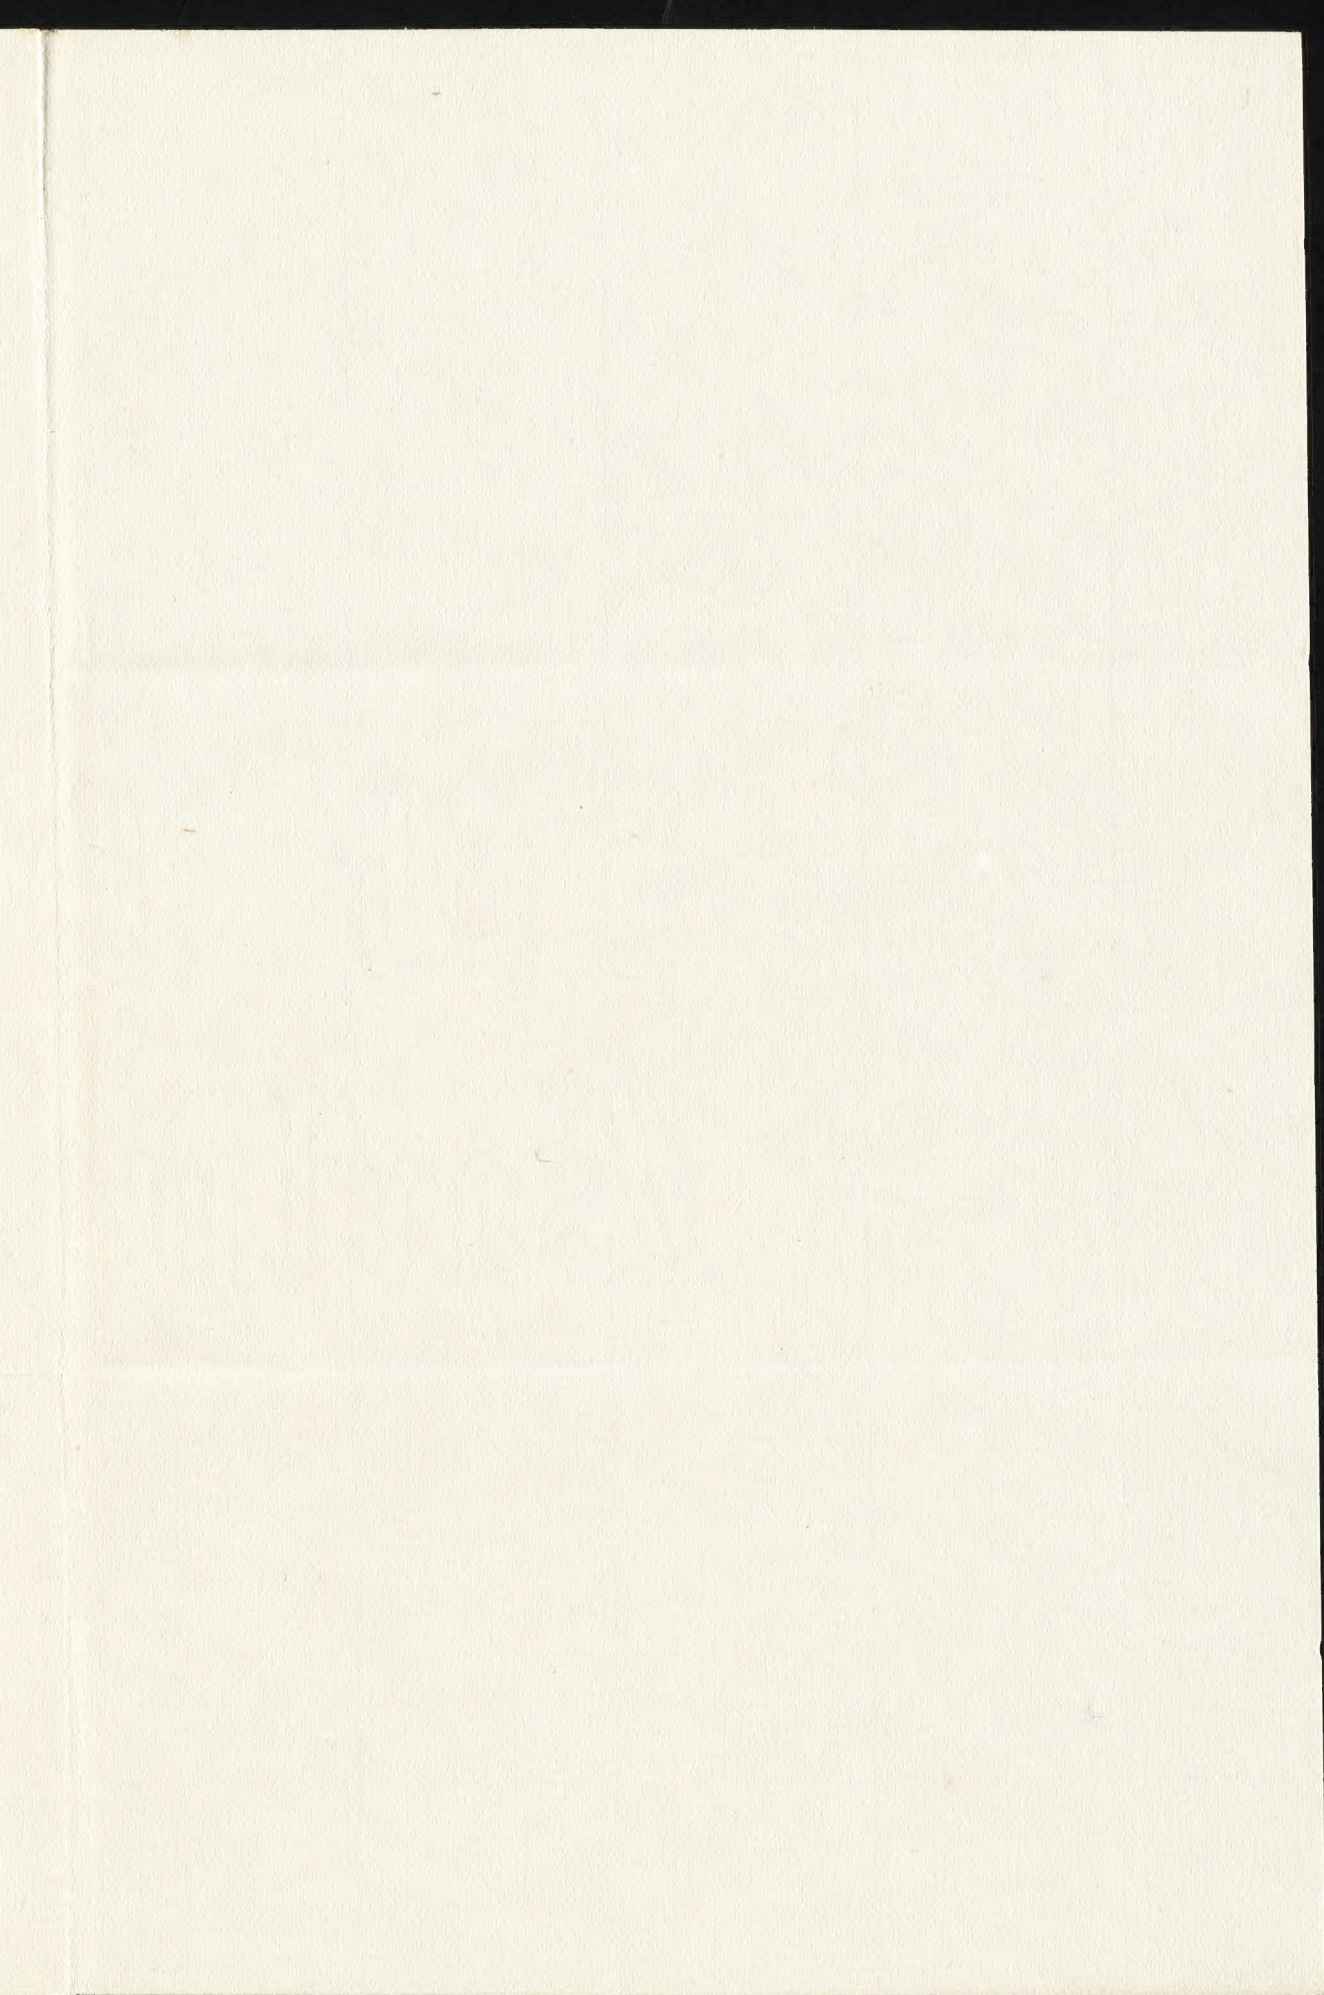

Obliged. Yours sincerely  
Wm Grosfield.
